LMP-C150

Replacement lamp for projector models VPL-CS5/CX5, VPL-CS6/CX6, VPL-EX1, 165 Watt UHP

The LMP-C150 is a 165 Watt UHP (Ultra High Performance) lamp for the projector models VPL-CS5, VPL-CX5, VPL-CS6, VPL-CX6 and VPL-EX1.

During its entire lifetime you can rely on a constant light output generated by this lamp.

When making important presentations, it is better to ensure you always have a projector lamp in spare, especially towards the end of the lamp's lifetime.
